National Catholic Forensic League

The NCFL encourages any and all interested coaches and students to submit draft Extemp questions between now and April 25, 2013. Questions should be sent via email to extemp@ncfl.org. The Board will use these draft questions to prepare the questions to be used at the tournament. The very real possibility exists this year that a student could write a question on which they would then get to speak. Everyone is encouraged to participate.

10. The Board reviewed topic ideas that were submitted for Lincoln-Douglas and Public Forum Debate. The Board selected 4 topic/topic areas for both Lincoln-Douglas and Public Forum Debate that will be provided to the Topic Wording Committee. The specific topic wordings created by the Committee will then be provided to all diocesan directors for voting.

11. The board reviewed draft revisions for the NCFL Nationals Bid Proposal packet.
